September 21st 7pm PACK MEETING
POPCORN KICK OFF AND WELCOME NEW CUBS!

Seating: Parents and kids together.

Flags: Webelo's 1

Skit: none due to time

Advancements: Theresa

Leaders are to email their dens and start asking about advancements and activities over summer.

Separate Groups:

Dean's plan to have all kids in 4 groups. Each take a street with a leader, knock on door for scavenger hunt. Top den wins a prize for coming back first.

Dean and Heather will lead the parents into Popcorn selling. Possible incentives for dens, as well as individuals.

Dean is looking into a Lowe's popcorn selling station. This would be a "Pack 93 scout" and all the money made at the selling station would then be put towards something fun for the pack to do.

Friday September 23

Popcorn Pick up at the Ritchey's for Den Leaders.

Den Leaders need to be available for disbursement at their own homes for dens that night also.

P93 Tshirts-

Travis will look into getting a deal on Tshirts again. We are planning an October arrival for them and only costing \$5.00. A possible order form will go out before the actual selling. This way we get a right amount with the right sizes.

Den Combining:

Tigers to Wolves- and Jay is taking over both dens. Thanks Jay!

Wolves to Bears- Look into possible 3 down to 2 dens.

Bears to Webelo's- with Mike Butler and Tim Texel joining as Asst. Den leader. Thanks Tim!

FRIDAY OCTOBER 7th at 7pm

PIONEERS PARK HAYRACK RIDE

\$300.00 for about 90 people

They will have a fire, and we will bring s'mores and hot cocoa.

OCTOBER CAMPOUT

Dean suggested looking at the horse track here in Lincoln. They have a covered area with a place to put up tents. Asked about fires, Dean said probably out further way but might be still possible.

Bathrooms were mentioned, and Dean assumed they were working fine. Still need to know a cost of renting that space or if it's free to use.
