7pm PACK MEETING

POPCORN KICK OFF AND WELCOME NEW CUBS!

Seating: Parents and kids together.

Flags: Webelo's 1 Scorpions

Skit: none due to time

Advancements: None due to time constraint. Theresa will have you email her back immediately so she can get things together faster this year. She will not be available most Wednesday nights. Also there was an interest in getting a spreadsheet of each child's advancement record. Jenn will supply these to each den. Marcus said it made things easier to see what needed to be worked on.

Popcorn Push:

Dean's plan to have all kids in 4 groups. Each take a street with a leader, knock on door for scavenger hunt.

Noted by some that the popcorn last year was very poor quality. Is it possible for Dean to be able to express this at a popcorn function at the council level?

Friday September 23

Popcorn Pick up at the Ritchey's for Den Leaders. It is important to pick a time for the pick up!

Call or email Dean and let them know, ASAP! DnRitchey@aol.com

Den Leaders need to be available for disbursement at their own homes for dens that night also. Please make sure to notify your parents.

.pdfs of these forms will be to your emails.
